

# "Return of the Nemesis"

Based on  
actual events

Part 2\*

And how about you,  
Mr. Anderson? Given any  
thought about what you are  
going to BE in the future?

That's an easy one...  
I'm gonna be DEAD!  
At least I'll die rich...\*

\* See Part 1

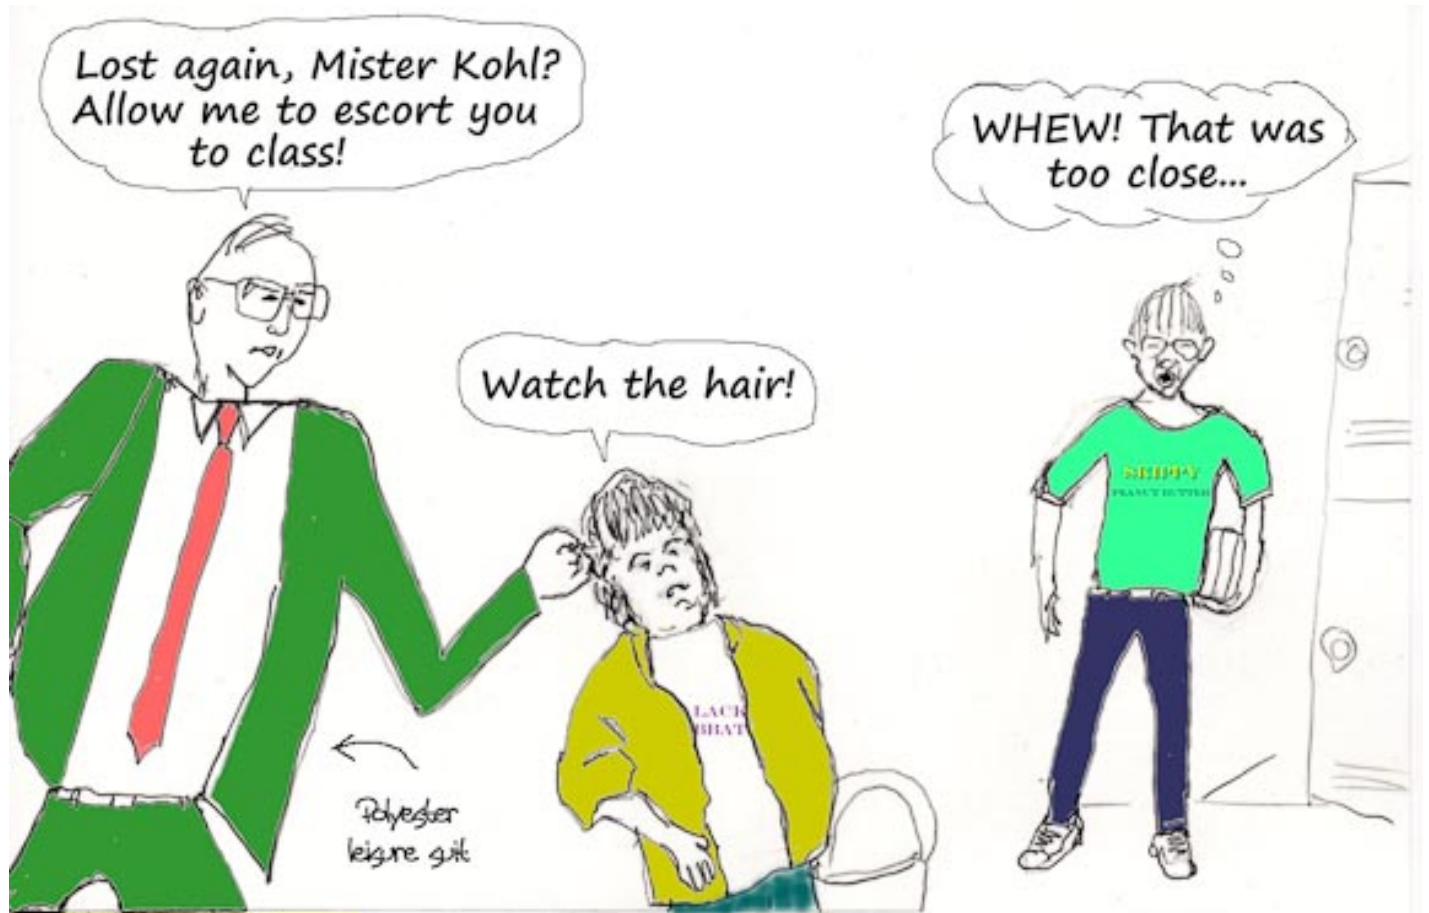

Great! Changing classes is like OPEN SEASON!

First one out the door! That's a lucky BREAK... just around the corner and I'm safe and sound in reading class!

Man, that ANDERSON kid bugs me...

Later that month,  
I was hiding out at  
recess with my best  
friend Joe Pierre...

I'm the only one in  
school who has the  
new Rod Carew card...

Small price to pay...  
for the card that's  
going to **SAVE MY LIFE!**

So that's your whole plan?  
Bribe Duane with the card?

NAW... he **HATES** baseball!  
But you're on the right track...

To be continued...
